MEMORANDUM FOR: Chief, Contact Division  
FROM : Chief,   
SUBJECT : Eighth Refresher Course

25X1

1. The Eighth Refresher Course (Second Session of Second Cycle) will be held from 24 June - 3 July. It will be devoted to exploitation of industrial sources, and to consideration of alien exploitation and resettlement.

2. Twenty-four contact specialists and six Headquarters case officers have been enrolled in the course. The large number of students enrolled has compelled a division of industrial group discussion into two sections, one to consider manufacturing and producing source, and the other to discuss industrial sources engaged primarily in materials and services. The alien group will form the third section.

3. Attached is (A) a list of personnel assigned to the various sections and (B) a preliminary schedule for the course.
